

# SHAWNEE SOCCER CLUB

Shawnee SC recreational teams play on some of the best game fields in the metropolitan area: Stump Park, 47<sup>th</sup> and Woodland; Swarner Park, 63<sup>rd</sup> and Lackman; Gum Springs, near 67<sup>th</sup> and Quivira. All conveniently accessible from interstate highways.

When choosing a soccer club for your child, please consider the Shawnee Soccer Club. For more information regarding our recreational and Metro Elite programs, we invite you to visit [www.ShawneeSoccer.org](http://www.ShawneeSoccer.org).

**For the kids!**

Tired of paying exorbitant fees so your child can play soccer? Are you looking for a soccer club that is not only *affordable*, but provides *quality* coaching and great practice facilities and game fields? Then look no further. The Shawnee Soccer Club is your answer. Our Club offers both recreational and, through our Metro Elite program, premier opportunities.

In addition to an affordable fee structure and convenient game fields, the Shawnee SC also invests in the development of our recreational and premier players. In partnership with British Challenger Club Trainers, the Shawnee SC offers advanced technical and tactical training for its players, all of which is included in your seasonal fees. Also, through Alan Jones, our Director of Coaching, the Shawnee SC provides enhanced coaching development opportunities for our coaching cadre, both recreational and premier. To further foster an overall positive and professional soccer environment, the Shawnee SC utilizes USSF certified referees, a trained Field Marshal corps and employs on-line registration through Blue Sombrero.

Consistent with our Club's goal of providing an affordable, yet quality, soccer experience, we sell uniforms at cost. In addition to the above, the Shawnee SC has a dedicated group of volunteers who donate their energy and time to make our Club one of the best in the region.

### Compare the cost:

Club	Recreational Fees	Premier Fees	Monthly Coaching/Misc Fees
Shawnee SC	\$55-65	\$90	\$35-55
SWUSC	\$80-90	\$125	Unavailable
Kansas Rush	\$55-80	\$80	Unavailable
KCFC	N/A	\$75 + \$100 annual membership fee	\$65
BVSC	\$75	\$75 + \$100 annual club fee	\$66-69
KC Legends	No rec program	\$70	\$112

# METRO ELITE

Metro Elite, our premier program, is comprised of teams formed through tryouts in June of each year and are coached by paid professionals with advanced coaching credentials and experience. As a premier program, Metro Elite teams play their league games through Heartland Soccer Association at the Heritage Soccer Park Complex, 175th and Lackman Road, and other venues, typically participate in up to three local and/or out-of-state tournaments per season and train at Swarner Park. Our Metro Elite coaches are some of the most accomplished coaching professionals in the metropolitan area and, as such, charge monthly coaching fees commensurate with their coaching license/credentials.

Metro Elite tryouts will commence on Saturday, June 13th, at Stump Park. Starting with the 2009-2010 seasonal year, our Metro Elite teams will be dressed in a new Adidas uniform kit displaying new, distinctive, program colors and logo. For more details regarding the Metro Elite program, and to pre-register your child for the tryouts (recommended), go to the Metro Elite page on our website.

## METRO ELITE ACADEMY

Starting in the Spring of 09 the Metro Elite Academy was formed to help give parents and players of U7 and U8 recreational soccer the chance to experience what premier soccer is all about. The Academy will provide U7 or U8 players with a taste of the Elite experience without the pressure of tryouts or a highly competitive environment. At \$20 a season, including coaching sessions and a T-shirt, it gives a great insight into premier soccer at a great price. It also helps you to make an informed decision before making the commitment to premier soccer.
